

IFMA ATHLETE CONSENT FORM

ATHLETE :			
FIRST NAME:		LAST NAME:	
D.O.B (D/M/Y)		DATE:	
NAME OF EVENT:			

As a member of the International Federation of Muaythai Associations (IFMA) and/or a participant in an event authorised or recognised by IFMA, I hereby declare as follows:

I acknowledge that I am bound by, and confirm that I shall comply with, all of the provisions of IFMA Anti-Doping Rules (as amended from time to time) and the *International Standards* issued by the World Anti-Doping Agency and published on its website.

I acknowledge the authority of IFMA and its member National Federations and/or National Anti-Doping Organisations under the IFMA Anti-Doping Rules to enforce, to manage results under, and to impose sanctions in accordance with, the IFMA Anti-Doping Rules.

I also acknowledge and agree that any dispute arising out of a decision made pursuant to the IFMA Anti-Doping Rules, after exhaustion of the process expressly provided for in the IFMA Anti-Doping Rules, may be appealed exclusively as provided in Article 13 of the IFMA Anti-Doping Rules to an appellate body for final and binding arbitration, which in the case of International-Level Athletes is the Court of Arbitration for Sport (CAS).

I acknowledge and agree that the decisions of the arbitral appellate body referenced above shall be final and enforceable, and that I will not bring any claim, arbitration, lawsuit or litigation in any other court or tribunal.

I am being asked to read the following form to ensure that I am aware that my doping control related data will be used in anti-doping programs for detection, deterrence and prevention of doping. Signing this form will indicate that I have been so informed and that I give my express consent to such processing.

I understand and agree that:

- a. my data, such as my name, contact information, birthdate, gender, sport nationality, voluntary medical information, and information derived from my testing sample will be collected and used by IFMA [and its member National Federations and/or National Anti-Doping Organizations] and WADA for anti-doping purposes;
- b. WADA-accredited laboratories will use the anti-doping administration and management system (“ADAMS”) to process my laboratory test results for the sole purpose of anti-doping, but shall only have access to de-identified, key-coded data that will not disclose my identity;
- c. I may have certain rights in relation to my Doping Control-related data under applicable laws and under WADA’s International Standard for the Protection of Privacy and Personal Information (ISPPPI), including rights to access, rectification, restriction, opposition and deletion, and remedies with respect to any unlawful processing of my data, and I may also have a right to lodge a complaint with a national regulator responsible for data protection in my country;
- d. if I object to the processing of my Doping Control-related data or withdraw my consent, it still may be necessary for my IFMA [and its member National Federations and/or National Anti-Doping Organizations] and/or WADA to continue to process (including retain) certain parts of my Doping Control-related data to fulfill obligations and responsibilities arising under the Code, International Standards or national anti-doping laws notwithstanding my request; including for the purpose of investigations or proceedings related to a possible

anti-doping rule violations; or to establish, exercise or defend against legal claims involving me, WADA and/or an Anti-Doping Organization.

- e. preventing the processing, including disclosure, of my Doping Control-related data may prevent me, WADA or Anti-Doping Organizations from complying with the Code and relevant WADA International Standards, which could have consequences for me, such as an anti-doping rule violation, under the Code;
- f. to the extent that I have any concerns about the processing of my Doping Control-related data I may consult with the IFMA and/or WADA (privacy@wada-ama.org), as appropriate.

I understand and agree to the possible creation of my profile in ADAMS, which is hosted by WADA on servers based in Canada, and/or any other authorized National Anti-Doping Organization's similar system for the sharing of information, and to the entry of my Doping Control, whereabouts, Therapeutic Use Exemptions, Athlete Biological Passport, and sanction-related data in such systems for the purposes of anti-doping and as described above. I understand that if I am found to have committed an anti-doping rule violation and receive a sanction as a result, that the respective sanctions, my name, sport, Prohibited Substance or Method, and/or tribunal decision, may be publically disclosed by IFMA [and its member National Federations and/or National Anti-Doping Organizations] in accordance with the Code. I understand that my information will be retained for the duration as indicated in the ISPPPI.

I understand and agree that my information may be shared with competent Anti-Doping Organizations and public authorities as required for anti-doping purposes. I understand and agree that persons or parties receiving my information may be located outside the country where I reside, including in Switzerland and Canada, and that in some other countries data protection and privacy laws may not be equivalent to those in my own country. I understand that these entities may rely on and be subject to national anti-doping laws that override my consent or other applicable laws that may require information to be disclosed to local courts, law enforcement, or other public authorities. I can obtain more information on national anti-doping laws from my International Federation or National Anti-Doping Agency.

AUTHORISATION AND CONSENT

By signing this form, I hereby declare that I am familiar with and agree to abide by IFMA's Rules and that I expressly consent to the processing of my Doping Control related data as set forth above.
